47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Stop allowing large corporations such as AT&T to have a monopoly over the internet!! Sonic is great and they have provided us with affordable, high speed internet with phenomenal customer service. Their employees are all local and employed in the U.S. The people who are educated on this situation doesnt want corporations to have a monopoly on services.
